

WHO HAS REDR AUSTRALIA TRAINED?

CAREER TRAJECTORIES OF REDR TRAINEES

redr
australia

We surveyed our trainees from the past decade. Here's what they told us*:

Former trainees have worked in **over 600 roles** at **216 organisations** in **97 countries** worldwide.

Since 2010, one or more of our trainees has responded to **every global humanitarian crisis****

Our Training Associates are **50% Female, 50% Male**

Trainees have worked in **9 Pacific Island countries**

5 core courses, plus tailored training for domestic and global partners

Almost 1 in 5 roles (18%) are **based in Australia**

15% of roles are senior leadership positions

Disability Inclusive Training

Participant Rhys's Essentials of Humanitarian Practice training was adapted for wheelchair accessibility.

"I felt that the course was life-changing and opened up new possibilities for me."

— Sanchi, RedR Trainee & DFAT representative

Our training courses

Essentials of Humanitarian Practice (EHP)
Hostile Environment Awareness Training (HEAT)
Humanitarian Logistics in Emergencies
Water, Sanitation and Hygiene in Emergencies
Child Protection in Humanitarian Action
Active Armed Assailant Awareness Training
Negotiation for Humanitarian Responders
Civil-Military Coordination
Emergency Telecommunications
Humanitarian Emergency Response Training (HERT)
Sphere Training (humanitarian minimum standards)

i We're now delivering contextualised EHP and HEAT courses in the Pacific and Middle East

*RedR Australia surveyed individuals who had completed one or more of our core training courses between 2010 and 2020. **Defined by IASC System-Wide Scale-Up Emergency Activations or OCHA Level 3 Emergencies.
